### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Laura Wanek on 11/29/04.

*The application has been amended as follows:*

Claim 8 has been cancelled.

***STATEMENT OF REASONS FOR ALLOWANCE***

The following is an examiner's statement of reasons for allowance: the present claims are allowable over the closest prior art to Takahashi et al. (WO 2000/740042). Takahashi et al. fail to teach or suggest the use of a Re containing seedlayer having a higher surface energy than that of the overlying crystal orientation improving layer. The reference also fails to teach or suggest a motivation to use the specific CoCrPtTa alloy compositions set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Holly Rickman whose telephone number is (571) 272-1514. The examiner can normally be reached on Monday-Friday 9:30-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Deborah Jones can be reached on (571) 272-1535. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
